Dear Colleagues,

It is our great privilege to let you know that a full day College of American Pathologists and AACC India Section Seminar on “Decoding Good Quality Laboratory Practices” is being organized on 10th January, 2023 by American Association of Clinical Chemistry (AACC) India Section on College of American Pathologists (CAP) in Kokilaben Dhirubhai Ambani Hospital & Medical Research Institute, Mumbai.

We will have morning CAP symposium & afternoon AACC India Section short course which will feature lectures by distinguished national & international speakers from different fields.

Aim of the event would be to increase awareness and expertise in laboratory quality management & IQC strategies, accreditation readiness, internal audit skills, safety norms, verification protocols, continuous quality improvement, laboratory automation, digitalization etc. Looking forward to your participation.

Thanks & best regards,

Barnali
