NANDKISHOR.S.CHINDARKAR@KP.ORG

PH: 510-559-2396 (LEAVE A MESSAGE)

PARKING: STREET PARKING AND A PARKING LOT (ENTRANCE ON 24TH STREET)

We would like to thank our sponsor, SCIEX, for supporting this meeting.

After attending this session, the participant will be able to:

- 1. Identify the steps needed in evaluating toxicology data**
- 2. Determine how a differential diagnosis is achieved**
- 3. Know general steps for handling toxicology samples**

RSVP details: Reservations are due by **FRIDAY, JUNE 3RD, 2016** RSVP by emailing Nandu Chindarkar, E-mail: nandkishor.s.chindarkar@kp.org (an email confirmation will be returned) or call at 510-559-2396 and leave a message. Please state your name, the names of those attending with you, and an e-mail address or phone number where you can be contacted. Payment can be made by cash or check at the meeting. Non-members are always welcome.

CLS students are welcome to attend free of charge but must make a reservation. Please mention your CLS, MLT, or student status when you call or e-mail your reservation.

CE credit: This program is approved by the American Association for Clinical Chemistry for one hour of Category 1 ACCENT credit toward the Clinical Chemists Recognition Award and recertification requirements for the NRCC. Credits earned at ACCENT approved programs are accepted by the American Society for Clinical Laboratory Science (ASCLS), the American Association of Bioanalysts (AAB), the American Society for Microbiology (ASM), and California State Laboratory Field Services.
